**Instruction to chapter president: Please have this letter read in its entirety at your next chapter meeting.**

March 25, 2024

Dear Sisters,

Attached are the proposed amendments to the Bylaws and Standing Rules of Alabama State Chapter to be presented at the 2024 state convention.

While we encourage you to read the attached amendments in their entirety, so that each member may be fully informed as to the changes that are being considered, at a minimum all explanations and rationales must be read. A copy of the proposed amendments will be made available to any member upon request or may be accessed on the state chapter website.

The editorial resolution would allow the state executive board to make editorial corrections to the bylaws and standing rules.

The addendum lists items requiring changes in the bylaws and standing rules as a result of amendments adopted at the 2023 Convention of International Chapter and by directive of International Chapter. Each chapter is required to read the addendum in its entirety so that all members are informed of the changes.

We urge you to discuss these proposed amendments in your chapter meeting so that members may express their views and opinions. After hearing the discussion on the amendments at convention, each delegate should vote as she sees fit.
